

SLC SANDWICH MOUNTINGS

Description:

Vibracoustics Ltd SLC Sandwich Mountings VS6010, VS6011 and VS6017 are a range of high deflection shear mountings available in natural rubber.

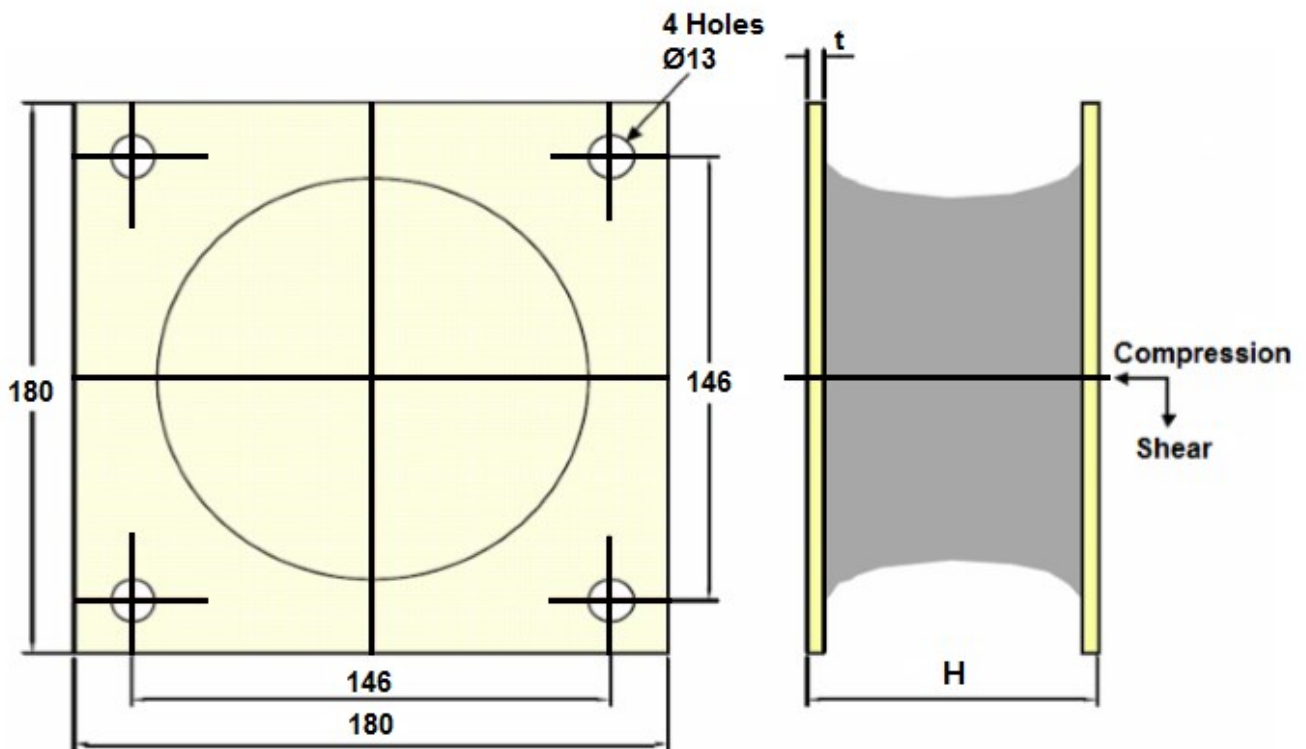

All rubber surfaces are painted with oil resistant paint.

Available with neoprene coated rubber section for oil resistance.

Typical Applications Include:

- Engine mounts.
- Construction plant.
- Vibratory screens.
- Shock applications.
- Anechoic chambers.
- Suspended floors.

Part No.	Dimensions (mm)		Compression Load		Shear Load
	H	t	Max Load (N)	Max Defl. (mm)	Max Load (N)
VS6017 N50	76	5	12000	6.5	2600
VS6010 N60	88	6	15700	8	3000
VS6011 N60	101.5	5	11250	10	3400
